Life's Operating Manual Aug 26 2022 Just about everything today comes with an operating manual—from your computer to your car, from your cell phone to your iPad. Is it possible that Life comes with an operating manual as well? That's the simple but powerful premise of Tom Shadyac's inspiring and provocative first book. Written as a series of essays and dialogues, we are invited into a conversation that is both challenging and empowering. The question now is, can we discern what is written inside this operating manual and garner the courage to live in accordance with its precepts?

Spiritual Breakthroughs Dec 26 2019 Upon graduation from the University of Florida in 1980, Monte served for seven years as a U.S. Army Intelligence Officer. He and his wife, Sandy, served in the ministry for 16 years in non-denominational churches in the Southeast. In 2003 they moved to the Orlando, Florida, area and established More Than Conquerors (MTC) Counseling. Monte holds a Master's degree in Mental Health Counseling and is also a Certified Addictions Professional. Monte has vast experience counseling individuals, couples, and families with complex mental health and substance abuse issues. He also provides spiritual life coaching, staff training, and church workshops. Monte and Sandy recently celebrated their 30th wedding anniversary and have two adult daughters who reside in Charlotte, NC. Excerpt from *Spiritual Breakthroughs*: What exactly is a spiritual breakthrough? For the purposes of this book, a spiritual breakthrough is "an obvious and observable change in controlling thoughts, feelings, or behaviors, resulting in dramatic spiritual growth." The bottom line is, when you make a spiritual breakthrough, it will be obvious. You will know it, and others will see it, too. Making and sustaining spiritual breakthroughs will transform you into a drastically different person. That is what the power of God can do if we allow it. Yes, you read that correctly; we must allow the most powerful force in the universe to work in our lives. We can stop the power of God simply by deciding not to change. I made the decision to hinder His power many times in the past, and perhaps you are making it right now. My prayer is that by picking up this book, you made the first step towards opening your heart and mind to the power of God and are ready to delve

into His Scriptures.

Connecting the Dots Aug 14 2021 We have learned from nature that animal and plant life thrives when all the systems of their surroundings are in harmony. The same can be said for human institutions. When the organizational systems of human institutions are in harmony, the organization thrives. This book identifies the interaction of eight organizational components that promote creative ministry in the Christian church setting. The author combines biblical study, management theory and hard-earned experience to help church leaders understand and use organizational systems to maximize their ministry. Connect the dots of these eight components for effective ministry in the 21st century.
